Custom Design in Three Simple Steps

Step 1

Discuss the Concept

Our design team will collaborate with you to outline your desired vision and needs.

Step 2

Virtual Rendering

We will provide you a virtual electronic rendering. Your input on any desired modifications will be quickly applied for your approval.

Why Choose Custom?

Because you want to create a standout piece that fits your brand and speaks to your mission. Every budget can achieve a custom option!

Custom Designs are Easy and Affordable
From 1 to 100,000 Pieces

Provide our design team with key factors to get started:

- Quantity
- In-hands Date
- Theme, Event or Purpose
- Your Target Budget Range

Custom Renderings are FREE

Within 1-4 days we will provide a virtual rendering for your consideration. With your input, design changes are quickly provided.

A Pre-production Sample can be Made for Your Approval

Additional modifications can be made prior to production. Upon final approval production will begin.

A pre-production sample will be made for your approval. If necessary, additional modifications can be made prior to production. Upon final approval, production will begin on your unique award!

Custom Creations
Utilizing Different Materials

We utilize both domestic and imported components in our designs.

Combinations of these materials are often used based on your requirements.

Crystal • Glass • Lucite
Metal • Resin • Marble
& Various Types of Wood

Most domestic designs are fabricated in our plant within 10 to 15 working days after art approval.

Rush service is often available.

Some machined or complex designs may take longer.

Imported designs typically take longer.

Time frames are confirmed during the design phase.

Pre-production samples are often produced within 10 days.

Innovative Designs Tailored To Your Specific Requirements

Provide us with your challenge! Let us know budget, theme, recipient. Our design team can provide a virtual rendering that will fit your vision.

Depending on your need and budget, we can create in Crystal, Glass, Lucite, Aluminum, Resin and Wood.

We are specialists in multi-substrate.

Custom Domestic Rapid Ship Awards

Designed and shipped to you typically within a couple of weeks after art approval, allotted time based on size and complexity of the order.

- Low minimums based on complexity of design
- Virtual rendering within 1-3 days
- Quick Pre-production samples
- Designed and produced in Chicago

Stunning Simplicity

Ultra Modern Clean Lines in Clear Glass

All glass awards are individually handcrafted. They will have variances in size, shape and color. No two pieces will be identical. Small air bubbles and flaws are characteristics in these unique, one of a kind, handmade items. Imperfections and blemishes are inherent and non-avoidable. All glass should only be considered if this is acceptable.

Infusion Lucite

The infusion process creates a floating effect by printing full-color graphics between Lucite tablets and fusing them together to create one piece.

Custom Triangular Infusion (shown)

An Example of Custom Cut Lucite Infusion Inspired Front, Middle and Back

Custom Cube Infusion (shown)

An Example of imprint on front "Thank you!", in middle "monitor & logo" and white back

Shown Imprinted in the Middle

This process is an ideal alternative to embedments with optional layering of images for 3-D effects and/or views from front and back.

Whatever you can imagine can now be realized in full-color multi-dimension graphic designs.

Imprint areas are ¼" inside of all edges.

Shown Imprinted Middle and Back

Imagine

your graphics, logos, buildings, photographs, landscapes, signage, gifts and products in amazing full color!

Desired Effect:
Two different images painted in the middle or front and back sides will be different - requires 1 additional location charge

Designer Effect:
One image printed twice in the middle so you can view the same image from front or back - requires 1 additional location charge

Take Infusion to the next level by layering additional location imprints on the front, middle or back for a 3-D effect or views from both the front and back. Imprint areas are 1/4" inset from all edges

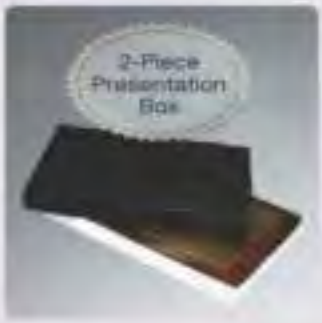
Shipping and Packaging Information

Packaging: Refer to appropriate pages for packaging designation. The most common packaging is shown below. Other standard packaging includes foam pouches and polybags. Contact factory for special packaging needs.



Identification Labels: Custom typed and furnished name labels, in alphabetical order, applied to gift boxes at no extra charge. Factory furnished and applied labels at no extra charge on orders of 40 pieces or more. Orders with less than 40 pieces requiring factory furnished labels will incur a $50.00(U) LABEL charge per order. To avoid additional LABOR charges for any factory furnished labels, file must be provided to factory in Excel or CSV format.
